Sir,

I have the honor to state that Messrs.C.Honnappa and A.Chennappa Chenna and Kulthi contractors of this Department having requested me to get them Priority certificate to get the supply of Chenna from --- Dubbavali Station to Bangalore, a reference was made to the Food -- Controller and Civil Supplies in Mysore, in the matter.

2. He in reply states in his No.10357 dated 31st May 1919(copy enclosed) that no certificate could be given for the Import of Chenna otherwise than from the United Provinces only.

3. The Contractors on being informed of the above reply, have again referred the matter to me in their petition dated 22nd August 1919 (copy enclosed) stating that chenna is available abundantly in ---- Buttenda and Dubbavali Stations and that the required certificate could be granted to them to get the grain from the above places to enable them to supply the same to this Department as otherwise they will have to be allowed to supply kulthi in lieu of chenna.

4. In the circumstances I request that you will be so good as to arrange for the required certificate being granted to them to get the grain from the above stations to Bangalore in view of the fact that a large supply of chenna will have to be taken for the horses etc. that are to be sent out to Mysore for duty in connection with the Visit of His Excellency the Viceroy, when chenna is to be used in -- preference to kulthi.

I have the honor to be,
Sir,
Your most obedient servant,

With reference to his No.12174 dated the 29th May 1919 has the honor to inform that it is regretted that no Priority certificate can be given for the import of Bengal gram otherwise than in accordance with the advice of the Food stuffs Commissioner for India. For the month of May Mysore was allowed to get Bengal gram from United ---- Provinces only. For June 1919 no allotment has yet been received.

Petition dated 22nd August 1919 from Messrs. C.Honnappa and C. Chennappa, Bangalore, to the Chief Commandant, Mysore State Troops.

====

We the contractors for the supply of chenna and kulthi to the Military Department most humbly and respectfully beg to bring the following few lines to your kind notice for favourable orders and -- early disposal.

The price of chenna has been rapidly increasing day by day on account of scarcity for the same, the present market rate being 27 or 28 R. per palla. We supplied till now with greatest difficulty and exertion in procuring the same although we sustained heavy loss in the supply of nearly 300 bags of chenna every month. We are now afraied that this grain has run out of stock every where as such it is not at all possible to get the quantity required. Moreover Khedda Operations are to come off in the month of November 1919 for which a large quantity of chenna has to be stocked before hand. Under the circumstances we beg to request that you will be pleased to arrange for the issue of priority certificates for the importation of 1000 bags of chenna from Buttenda and Dubbavali where abundant quantity is said to have been available. If early steps and precautions are not taken we are sure that this grain will be completely exhausted shortly leaving all of us in a hopeless condition when nothing will be lying in our control except supplying kulthi in lieu of chenna.

We are in very little of hope of getting chenna any longer and therefore immediate needful action is earnestly solicited.

Hoping to be excused for the representation which has become unavoidable.
